Justification Documents

* Certified and conformed copies of the corresponding diplomas and photocopies of the certificates attesting inscription of the academic titles in the Luxembourg Register of Higher Education Titles ('Registre des Titres de l'Enseignement Supérieur') have to be joined if the applicant is not an active member of the Luxembourg Psychological Society.

** Certificates from the employer(s) attesting practice during the indicated time period(s) have to be joined. The obligatory internship in psychology for pursuing a psychologist's career in the Luxembourg public service (viz. ADEM, CPOS, EDIFF) is recognized as supervised practice (the officially designated 'patron de stage' has to be named as supervisor). A photocopy of the certificate attesting successful completion of the internship/state exam has to be joined in that case.
