ETHICS PLEDGE

Hereby, I solemnly agree to abide by the Meta-Code on Ethics of the European Federation of Psychologists' Associations (EFPA) and pledge myself to conduct professional activities in accordance with the code of ethics and conduct of the national psychological association in the intended country of practice.

I'm aware that the European Certificate in Psychology loses its validity in the case I'm judged to have committed a violation of the professional code of ethics and if a sentence or measure is imposed, either by a court of law or by a national committee on professional ethics.

Luxembourg,
